# FIVE CRIMES COMMITTED BY US IMPERIALISM THROUGH HELPING CHIANG IN CIVIL WAR

America equips, trains and transports Kuomintang troops to encourage a large scale civil war.

(2) By prolonging lend lease large quantities of war supplies have been given to the Kuomintang dictatorial government for waging a civil war.

(3) Long-term U.S. military occupation in China violates Chinese territorial integrity and threatens world peace.

(4) American soldiers rape Chinese women shoot Chinese students and slain laborers and farmers. During the past 11 months, 2700-2800 innocent killed by U.S. troops---more than 20 casualties a day.

(5) America helps the Kuomintang dictatorial government to set up a large scale fascist secret service net.

Request by Chiang Kai-shek, the greatest traitor, U.S. sends troops to China for long-term occupation and helps Chiang with US\$4,400,000,000 worth of war material resulting in the greatest civil war in history. Thus U.S. make China her colony and Chinese her slaves.

Patriotic country-fellows! We do not want to be slaves of Japanese Imperialism, nor of American. We demand that all democratic countries in the world stop the atrocities of U.S. Imperialism. We, together with U.S. citizens, demand that U.S. Government change her policy towards China. We shall act to crush Chiang's dictatorship and civil war policy, and to drive the U.S. troops out of China.
